

Boston Socialist Unity Project

SPRING 2017 ANNUAL CONFERENCE

**April 21 & 22
@MIT**

***Socialist Movements Today
Building Communities of
Solidarity and Resistance***

**Boston Socialist Unity Project
2nd Annual Conference**

**Friday, April 21 and
Saturday, April 22**

**Mass. Institute of Technology
Edgerton Lecture Hall, Room 34-101
50 Vassar Street, Cambridge**

**Speakers:
Barbara Madeloni
Fred Magdoff
Sherri Mitchell
Vijay Prashad
...and more!**

This year's theme focuses on the growing resistance to Trump's agenda and the greater capitalist system that produced him. Now more than ever, we need to come together and discuss ways to collaborate and strengthen our movements; and build independent socialist communities & power. Socialist activists and organizations are encouraged to submit workshop proposals and to table at the event.

- Friday community event: speakers: Barbara Madeloni, Eugene Puryear; musicians: Foundation Movement, Mat Callahan & Yvonne Moore.
